

**DECEMBER 2017** — OMB Approves New Federal CCF

# Guidance for using the 2017 federal custody and control form (CCF) for urine specimens

---

The Office of Management and Budget (OMB) has approved the 2017 Federal custody and control form (CCF).

---

## **NO ACTION IS NEEDED**

- Please continue to utilize your existing forms.
- Alere is aware of the changes and will ensure your organization receives the necessary resources, information, and support services.
- New forms do NOT need to be ordered at this time. The previous version of the Federal CCF is authorized for use until June 30, 2018.

## **Additional information and online resources**

- Visit the OMB website: [www.reginfo.gov](http://www.reginfo.gov) (enter OMB number 0930-0158 in the search area)
- Visit DATIA website: [www.datia.org/datia/Guidance\\_2017\\_CCF\\_Final.pdf](http://www.datia.org/datia/Guidance_2017_CCF_Final.pdf)
- View example of approved form: [www.datia.org/datia/2017%20Sample%20Fed%20CCF.pdf](http://www.datia.org/datia/2017%20Sample%20Fed%20CCF.pdf)

The effective date of the new Federal CCF is August 8, 2017, and the current expiration date is August 31, 2020.
